RevitaCel Activating Serum

- ✓ Excellent exfoliant to remove dead surface cells and debris
- ✓ Multiple firming elements help skin appear more youthful
- ✓ Proven to improve elasticity, smooth wrinkles
- ✓ Increases hydration
- ✓ Mild enough for all skin types

This intensive serum does the work of Alpha Hydroxy Acids, but is much gentler to the skin and does not cause redness or irritation. Features megadoses of four firming strategies, a collagen support complex, and a firming, hydrating algae extract to simulate collagen synthesis. Activating Serum with Berridroxies™ improves skin elasticity by approximately 35%, smoothes wrinkles and hydrates skin. Delivers visible results in as little as 30 days, and a lifetime of younger-looking skin.

Instructions for Use:

1. Pump serum 3-4 times into the palm of the hand. Smooth over clean, slightly moist skin from neck to forehead.
2. Allow to penetrate completely before next step.

Frequency of Use:

Daily, morning and evening as part of regular skin care regimen.

Active Ingredients:

Vitamin C required for synthesis of collagen. Vitamin A helps maintain smooth, soft skin; repairs and protects skin tissues. Vitamin E retards cellular aging; major anti-oxidant and nutrient. Vitamin B promotes healthy skin; necessary for maintenance of healthy skin.

RevitaCel Firming Eye Gel

- ✓ Exfoliates to reduce appearance of fine line and wrinkles
- ✓ Firms and tightens skin
- ✓ Reduces "puffiness"

This powerful formula further concentrates the firming and moisturizing effects of our exclusive Berridroxies™ extracts to fight against the visible signs of aging. Developed specifically for the delicate eye area, where the earliest signs of aging often occur, the Elastin- and Collagen-building gel deeply nourishes, exfoliates and naturally moisturizes all skin types. With regular use you will see dramatic results. Your skin will tighten and firm, reducing puffiness and the appearance of fine lines and wrinkles to give you back your beautiful, younger-looking eyes.

Instructions for Use:

1. After moisturizing, gently pat a small amount all around the eye area.
2. Smooth an extra amount in the corners where crow's feet appear.
3. Allow to penetrate before applying any makeup or other product.

Note: Take care not to get the gel inside the eye as it will sting (gently rinse with cool water).

Frequency of Use:

Daily, morning and evening as part of a regular skin care regimen.
