

REVITACEL™

SKIN CARE

Revitalizing Night Treatment

- ✓ Unique blend of AHAs and anti-oxidants
- ✓ Repairs damaged skin
- ✓ Helps increase circulation and stimulates collagen production
- ✓ Reduces appearance of fine lines and wrinkles

A smooth, gentle cream, lightweight, yet rich in texture, Revitalizing Night Treatment is formulated with an effective blend of AHAs and anti-oxidants to smooth away fine lines and provide your skin with maximum nourishment and protection through the night. The combination of Ginseng, Beta Carotene and Ginkgo are added to natural extracts to repair damaged skin, and restore that youthful look, all while you sleep! Wake up to softer, smoother, healthier, more radiant you.

Instructions for Use:

1. Place a nickel-sized amount on fingertips
2. Smooth all over face and neck, using gentle, circular motion
3. Frequency of Use:
4. Use nightly after cleansing and toning

Ingredients:

Water, Caprylic/Capric Triglyceride, Glycerin, Myristyl Lactate, Neopentyl Glycol Dicaprylate/ Dicaprate, Glyceryl Stearate SE, Cetearyl Alcohol, Ceteareth-20, Isostearic Acid, Cyclomethicone, Tocopheryl Acetate (Vitamin E), Cholecalciferol (Vitamin D3), Retinyl Palmitate (Vitamin A), Beta-Carotene (Provitamin A), Tocopheryl Linoleate, Butyrospermum Parkii (Shea Butter) Fruit, Althaea Officinalis (Marshmallow) Root Extract, Tussilago Farfara (Coltsfoot) Flower Extract, Taraxacum Officinale (Dandelion) Extract, Foeniculum Vulgare (Fennel) Fruit Extract, Humulus Lupulus, (Hops) Extract, Aesculus Hippocastanum (Horse Chestnut) Extract, Equisetum Hiemale (Horsetail) Extract, Hedera Helix (Ivy) Extract, Lavandula Angustifolia (Lavender) Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Sambucus Nigra (Elder) Flower Extract, Thymus Vulgaris (Thyme) Extract, Hamamelis Virginiana (Witch Hazel) Extract, Achillea Millefolium (Yarrow) Extract, Glycine Soja (Soybean) Oil, Quillaja Saponaria Bark Extract, Aloe Barbadensis Extract, Juglans Nigra (Black Walnut) Leaf Extract, Chamomilla Recutita (Matricaria) Extract, Panax Ginseng Root Extract, Corylus Americana (Hazel) Seed Extract, Camellia Oleifera Leaf Extract, Spirulina Maxima Extract, Ginkgo Biloba Extract, Ilex Paraguariensis Leaf Extract, Eugenia Caryophyllus (Clove) Flower Extract, Mentha Viridis (Spearmint) Extract, Cinnamomum Zeylanicum Bark Extract, Carnegiea Gigantea (Saguaro) Flower Extract, Citrus Aurantium Amara (Orange) Blossom Extract, Salvia Officinalis (Sage) Leaf Extract, Vitis Vinifera (Grape) Seed Extract, Phospholipids, Yucca Schidigera Extract, Dimethicone, Xanthan.

Gentle Facial Buff

- ✓ Remarkable facial scrub!
- ✓ Features diatom, a seaweed extract
- ✓ Diatom will not get trapped in pores
- ✓ Will not irritate or scratch skin

Amazing non-irritating buff cleans and polishes your skin, removing layers of dead cells to give your skin a healthy glow. Unlike many other exfoliants that include ground shells, which can scratch and irritate sensitive skin, RevitaCel/Biozhem's gentle formula uses a natural diatom made from seaweed extract—soothing, gentle, and yet highly effective.

Instructions for Use:

1. After thorough cleansing, apply quarter-sized amount to palm
2. Gently smooth over entire face and neck
3. Gently massage—do not rub hard
4. Rinse thoroughly with washcloth
5. Final splash rinse and pat dry
6. Feel the smooth, silky texture of your skin!

Frequency of Use:

| | |
|---------------------|--|
| Oily Skin | Use once daily for the first week, every other day thereafter <i>If breakouts are severe, use with a gentle touch. NEVER use on open cystic acne until complete healing has occurred.</i> |
| Normal and Dry Skin | Use once or twice a week, depending on condition of skin |
| Sensitive Skin | Use once a week or less, depending on condition of skin. |

Active Ingredients:

Aloe – used as an emollient, moisturizer, conditioner and anti-irritant
Glycerin – helps prevent dryness, derived from natural oils and fats
Wheat Germ Oil – contains essential ingredients and is an extremely effective natural conditioner
Diocetyl Adipate – used as a buffering and neutralizing agent

Ingredients:

Water, Aloe Barbadensis Leaf Juice, Stearic Acid, Diatomaceous Earth, Propylene Glycol Stearate SE, Cetyl Alcohol, Glycerin, Sesamum Indicum (Sesame) Seed Oil, Triticum Vulgare (Wheat) Germ Oil, Fragrance, Methylparaben, Quaternium-15, Tetrasodium EDTA, Propylparaben, Allantoin, Diethylhexyl Adipate, Ethylhexyl, Stearate, Ethylhexyl Palmitate, Triethanolamine

Bella Coola Deep-Cleansing Mask

- ✓ Excellent choice for acne-prone and oily skins
- ✓ Exceptional ability to draw out excess oil and impurities
- ✓ A cool, soothing, non-irritating treatment to un-clog pores
- ✓ Deep cleansing while reducing oil and targeting breakouts!
- ✓ Works to help alleviate other conditions such as blotches, blemishes, and dry patches
- ✓ Especially effective in treating the symptoms of acne and irritated skin
- ✓ Noticeable tightening and firming effect, minimizes pores
- ✓ Immediate results in clean, smooth, clear, younger-looking complexion

Draw excess oil and impurities out of your pores with our Bella Coola mask containing only the purest and most effective natural clay. Rich in minerals, and handmade under pharmaceutical conditions, this soothing clay treatment will tighten appearance of pores, leaving your skin totally clean, refreshed and more radiant. Moisturize and enjoy the glow. This gentle treatment is especially effective on acne-prone skin.

Instructions for Use:

1. Cleanse face thoroughly and pat dry
2. Apply generous amount to face and neck, avoid area closest to eyes
3. Let dry completely (15-20 minutes)
4. To remove, splash face and neck with warm water
5. Remove any additional residue with a warm, damp cloth and pat dry
6. Add moisturizer

Frequency of Use:

| | |
|--------------------|---|
| Oily Skin | Use once every a day for the first week and 2-3 times per week thereafter |
| Dry/Sensitive Skin | Use once every 2-3 days for the first week and once a week or every other week thereafter If skin appears dry, use less frequently |

Active Ingredients:

Bella Coola Clay – draws out impurities, exfoliates and firms
Mineral Water – moisture to allow clay to be applied
Germaben II – preservative
(No other ingredients)
