## SKIN CARE

### Advanced Perfecting Cream

- ✓ Greatly improves skin texture, giving skin a healthy glow!
- ✓ Softens, hydrates and helps heal damaged skin
- ✓ Diminishes dryness with a moisture boost
- ✓ Greatly improves skin texture
- ✓ Gives skin a healthy glow

Silky, lightweight cream gives an immediate boost in hydration by sealing in moisture and sealing out irritants, and offers enhanced conditioning with strong anti-oxidants. Botanical healing and soothing agents help make skin soft, supple and younger-looking.

#### Instructions for Use:

1. Cleanse and thoroughly dry skin.
2. Place a nickel-sized dollop in the palm of your hand and apply all over your face and neck, using circular motions.

#### Ingredients:

Water, Helianthus Annuus (Hybrid Sunflower) Oil, Stearic Acid, Cetyl Alcohol, Cetyl Esters, Glycerin, Retinyl Palmitate (Vitamin A), Calendula Officinalis Flower Extract, Dimethicone, PEG-45 Palm Kernel Glycerides, Phenoxyethanol, Methylparaben, Butylparaben, Ethylparaben, Propylparaben, Glyceryl Stearate, PEG-100 Stearate, Carbomer, Allantoin, FD&C Yellow No. 5, Triethanolamine

### Eye Hydrate with Fruit Acid and Vitamin K

- ✓ Easily penetrates to instantly hydrate and soften skin
- ✓ Gently firms the delicate skin surrounding the eye area
- ✓ Extremely gentle, does not cause irritation

This instantly penetrating gel hydrates, softens and gently firms the delicate skin surrounding the eye area. Fruit Acid Complex and a boost of Vitamin K help soften fine lines and wrinkles by exfoliating dead skin cells, and help reduce puffiness and dark circles.

#### Instructions for Use:

1. Cleanse face thoroughly and pat dry
2. Apply gel around entire eye area (avoid getting into eyes)
3. Allow to absorb before adding moisturizer

#### Frequency of Use:

For maximum results, use twice a day, morning and night

#### Active Ingredients:

Glycerine – attracts and retains water; protects against the loss of lipids and amino acids which give your skin its moisture and elasticity; Hyaluronic Acid - a humectant to absorb moisture; Lactic, Glycolic, Malic, Tartaric Acids – exfoliate to help reduce the appearance of fine lines and wrinkles and improves sun-damaged skin; Vitamin C – helps to stimulate collagen production; Vitamin E – provides anti-oxidant protection, some protection against sun exposure; Vitamin A – provides anti-oxidant protection; Vitamin K – effective in diminishing red, blotchy patches, broken capillaries and dark under-eye circles; Extracts of Cucumber, Chamomile – blend of extracts to reduce puffiness, soothe irritation and help buffer the effect of the AHAs  
Polyglyceryl methacrylate – firming ingredient

#### Ingredients:

Water, Glyceryl Polymethacrylate, Propylene Glycol, Glycerin, Phytonadione (Vitamin K), Retinyl Palmitate (Vitamin A), Tocopheryl Acetate (Vitamin E), Cucumis Sativus (Cucumber) Fruit Extract, Chamomilla Recutita (Matricaria) Extract, Euphrasia Extract, Bilberry Extract, Sugar Cane Extract, Sugar Maple Extract, Orange Extract, Lemon Extract, Calendula Officinalis Extract, Symphytum Officinale (Comfrey) Extract, Hydrastis Canadensis (Goldenseal) Extract, Hamamelis Virginiana (Witch Hazel) Extract, Phenoxyethanol, Methylparaben, Butylparaben, Ethylparaben, Propylparaben, Sodium Hyaluronate, Polyacrylamide, C13-14 Isoparaffin, Laureth-7

### Anti-Aging Radiant Replenishing Cream

- ✓ Features the latest scientific developments in anti-aging ingredients
- ✓ Patented delivery process improves the texture and tone of skin
- ✓ Scientifically-proven to reduce lines and firm the skin

Utilizing recent scientific developments in anti-aging, RevitaCel's Anti-Aging Radiant Replenishing Cream represents the leading edge of research and development. The formula uses the newest, most powerful combination of active ingredients and remarkable, patented delivery process to consistently improve the texture and tone of the skin. RevitaCel Anti-Aging Radiant Replenishing Cream has been scientifically-proven to dramatically improve the appearance of lining on the skin, while giving the skin a unique firming system.

#### Instructions for Use:

1. This remarkable skin firming cream is applied over clean, dry skin.
2. Take a small amount on fingertips and gently work into the skin of the face and neck on all areas requiring treatment and allow to fully absorb.

For those with dry skin, once Replenishing Cream is fully absorbed into the skin, smooth a light film of Natural Conditioner or Advanced Perfecting Cream over all areas, face and neck.

#### Frequency of Use:

Once a day

#### Ingredients:

Water, Stearic Acid, Dimethicone, Glyceryl Stearate SE, Cetyl Alcohol, Retinyl Palmitate (Vitamin A), Tocopheryl Acetate (Vitamin E), Panthenol (Pro-Vitamin B5), Prunus Amygdalus Dulcis (Sweet Almond) Oil, Prunus Armeniaca (Apricot) Kernel Oil, Sesamum Indicum (Sesame) Seed Oil, Simmondsia Chinensis (Jojoba) Seed Oil, DMDM Hydantoin, Iodopropynyl Butylcarbamate, Triethanolamine, Glycerin, Carbomer

### Anti-Aging Eye Cream

- ✓ Minimizes lines and reduces wrinkles
- ✓ Vitamin enriched
- ✓ Quick results—see improvement in days!

Experience dramatically reduced lines and wrinkles around the eyes by daily application of RevitaCel's scientifically created treatment. With the support of Vitamin A and Vitamin E plus refined Green Tea and Aloe, the eye area will quickly show a visible minimizing of lines and wrinkles. RevitaCel Eye Cream will help to maintain vital moisture in the delicate eye area and will add balanced moisture day and night. This will give the skin a smoother, more radiant look.

#### Instructions for Use:

1. On clean skin, pat a small amount under eyes, just below the lower lash line.
2. Bring application around entire eye including the eyebrow bone just under the brows. Allow it to fully absorb..

#### Frequency of Use:

Twice a day
